

ERNESTO BORGES

ADVOGADOS

THE FIRM

The experience garnered in more than 70 years of ongoing business, coupled with excellence in the provision of legal services, led Ernesto Borges Advogados to an outstanding position in the domestic legal scenario.

We rely on interdisciplinary teams and regular investments in technology and management, which enable us to deliver cutting-edge legal solutions, whether in judicial, arbitration or extrajudicial, litigation or advisory fronts.

We combine technical knowledge, pool of experience, agile management, data intelligence, and a wide-ranging vision to add value to our clients, on top of our traditional legal advisory service.

TECHNOLOGY IN FAVOR OF THE BUSINESS

CSC AS A SERVICE

Maximizing Legal Efficiency

A service, designed specifically for leading players. Simplifies data capture, qualified post-registration screening, and procedural-based certification. Our expertise in automation, including in-house robots, enhances every aspect of legal management. This results in operational efficiency, strict compliance, and informed decisions, whereas our advanced automation technology coupled with AI ensures effective and secure procedural management.

EFFICIENCY

- Integration with all Courts for information capture
- Integration with corporate software and systems
- Real-time monitoring system of hearing and measures throughout the national territory
- Automations for carrying out large-scale operational activities

DATA INTELLIGENCE

- Data analytics for decision making
- Cost monitoring, risk rating, and strategy definitions
- Budget management support
- Intelligent workflow in process management

PERSONNEL

- Own staff specialized in Systems Development
- Staff specialized in Legal Design
- Technical Curatorship
